IN PARTNERSHIP WITH

MAY 2023

Join us on this faith journey serving Jesus through church planting and leadership development to the nations with the gospel.

PARTNER WITH THE WATSONS

We're moving to London, England! We are thrilled to see how God's hand is all over this move and this next step in ministry. It is truly only God who could have brought all of these pieces and partnerships together, and we are so grateful as a family to step into this next season with Him. Our vision is to equip and send hundreds of multicultural church planters from the nations of London to the unreached nations of the world for the glory of Jesus' name.

We are being sent by an excellent US based organization, New International. We are partnering with the Commission Global network based in the UK. We hope to plant a church after 24 months in residence in London at a historic church partner. Our vision is that this church plant will

be a multicultural training ground that will send church planters from the nations in London to reach the nations.

London is uniquely a global gateway city to the rest of the world, with people from nearly every tribe, tongue, and nation present. London was once a city that helped spur on the modern missions movement to nations around the world. Now, missionaries from those same nations where the gospel had been taken are returning to London to reach London for Jesus once again. It is our dream to see many reached with the gospel and sent to the unreached once again from this influential city.

CHOOSING FAITH

As a family, we took a vision trip this past summer to the Middle East and to North West Africa. On the front end of our trip, we stopped in London to connect with ministry partners and a church plant. Laura volunteered at while she was in college. We thought we were headed to the Middle East, but God kept opening doors for us in London. This was an unexpected shift from where we thought we were headed, but God grew our hearts for London as a strategic city to engage with the nations. As we began praying towards moving to London, God gave us clarity of His calling through His Spirit and unique ministry partnerships.

After a decade of learning about, praying for, and sending others to the nations, we are thrilled to say yes to go to the nations and serve Jesus long-term. This fall, God presented an opportunity to choose between comfort or faith in this journey. We are so thankful to choose faith over comfort and follow God to where He has called us to serve with the Commission Network!

COMMISSION GLOBAL

Commission Global is an international family of churches working together to make disciples, reach the nations and transform communities. Commission churches actively work together and support each other in seeing the Kingdom advance through: Going to the nations and reaching the unreached, starting new churches and caring for existing churches, raising and training leaders, and social action and community development.

WATSON FAMILY UPDATE

We are also so excited to announce that we are expecting baby number two in September! We are so excited to be adding another little Watson to the family and cannot wait for Lucy to have a sibling. As this could be a daunting feeling moving to a new country while pregnant, the Lord has given us so much peace, especially Laura.

We are so grateful to have spent the past few months living in Georgia with

Adam's parents as we have been support raising and getting ready to launch to London. It has been a huge blessing to be with them and their church community as we have been in this transition time. God has allowed for us to have many hikes in the Georgia mountains as a family, and it has been such a sweet season for Lucy to be with her Nana and Pops. God has also allowed Adam to continue studying at Dallas Theological Seminary as he is working towards his Doctorate of Educational Ministry. He will be using his Doctoral degree from Dallas Theological Seminary to help church planters and missionaries in the future amongst the nations. We are filled with joy to see how God is weaving everything together for our little family!

Here we are with the Global Director of Commission Guy Miller in the church where we will train ministry leaders and out of which we hope to plant a church.

Prayer Requests

- Please pray for continued financial support. We are praying and asking God for us to reach 100% of our financial goal by the end of May.
- Continued intentional family time before we launch to London, England.
- Our baby will continue developing healthily and Lucy will continue to thrive in this transition.
- Spiritual revival in all of our hearts as we are all a part of what God is doing in His Kingdom!

→ **PARTNER WITH THE WATSONS**

We want to ask you to partner with us to proclaim the gospel to the nations. Please ask God how He wants you to partner with us as a family and ministry. We invite you to give your time to pray and give finances as well. We have partners who give monthly, annually, and one-time gifts as well. Please consider joining our team monthly or annually in your giving. We would love for you to join us in this faith journey of obedience. Without faithful ministry partners like you, we would not be able to serve Jesus in this way. We are incredibly grateful for everyone who has already partnered with us, and that God is getting us closer to our goal each day. Thank you for your prayers and partnership.

—**Adam & Laura**

We will serve Jesus alongside this historic church in the heart of London and send missionaries to the nations.

Here we are as a family headed on our vision trip this past summer.
